TO: Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees
FROM: Christopher Evilia, AICP: MPO Transportation Planning Manager/Executive Secretary
SUBJECT: Notification of **Amendment #1** to the 2045 Metropolitan Transportation Plan (MTP) and **Amendment #2** to the FY 2021–FY 2024 Transportation Improvement Program (TIP)

ACTION PROPOSED: MTP Amendment #1 TIP Amendment #2:

This action proposes to update the previously published TIP document and tables. Contingent upon approval by the Lexington Area MPO Transportation Policy Committee scheduled for April 27, 2022, this amendment adds the following LFUCG project:

Citation Blvd. / Winburn Dr. Extension Phase III-A:

Extend Citation Boulevard from Silver Springs Drive to the Winburn Drive extension, and construct a shared use path along Winburn Dr extended and Citation Blvd to Newtown Pike.

Project Budget

PHASE	STBG-SLX Request	LFUCG Funding	Total Cost
Design (Complete)	\$0	\$400,000	\$400,000
Right of Way (FY 2022)	\$0	\$900,000	\$900,000
Utilities (FY 2022)	\$0	\$200,000	\$200,000
Construction (FY 2023)	\$1,600,000	\$3,400,000	\$5,000,000
Total	\$1,600,000	\$4,900,000	\$6,500,000

Background

Both the LFUCG and MPO have identified extensions of Citation Blvd and Winburn Dr as a priority to address connectivity and mobility concerns within North Lexington. The project has 2 separate work efforts:

Phase III-A (the subject of this amendment) which would extend Citation Blvd eastward and extend Winburn Drive southward to connect both roadways approx. X feet from Silver Springs Dr. Phase III-A was intended to be constructed entirely with funds from LFUCG, however the costs associated with this section have substantially increased due to necessary modifications associated with an adjacent Fayette County Public School facility and inflationary impacts for raw materials. As a result the LFUCG has requested \$1.6 million in federal SLX funds to fully fund the construction of Phase III-A.

Phase III-B (currently in the TIP and MTP) which would extend Citation Blvd eastward from the Winburn Dr extension to Russell Cave Rd. Phase III-B is currently entering the design phase and is anticipated to move into the construction phase for FY 2024 or 2025.

The proposed amendment has been posted on the MPO website at www.lexareampo.org and has been released for public review and comment. Public comments regarding this amendment are due April 26, 2022. Please contact me if you have any questions.
